

## Our Partners:

We are looking for like-minded churches and ministries who stand with us in this outreach to the community. Our partners provide the spiritual, physical, and financial support that will make this outreach a success. We want to partner with churches and ministries who:

- 1) Hold the Word of God in high esteem and who teach the Bible literally and without compromise.
- 2) Recognize that there are many in our community that would never voluntarily enter a church, but who have pressing questions about life and purpose that need to be answered.
- 3) Can provide teachers versed in Christian apologetics who have a passion for the lost and who will speak and answer questions at our events.
- 4) Will promote Get Answers Live! events among their congregations, encouraging people to attend as they are able, and provide support for various aspects of each event.
- 5) Agree to set up a table at events to allow people to learn more about each partner's respective ministry.
- 6) Are willing to share, as they are able, some of the costs involved in this outreach and the sponsored events.
- 7) Promise to pray specifically for Get Answers Live! events and for those whose lives will be changed as a result.

Are you interested in becoming a partner? Please fill out the [form here](#), and we will respond as soon as we are able. Thank you!

-The Get Answers Live Team
